Red ACC **Tibbie** 98B

Red ACC Tibbie 98B has clean front structure, smooth makeup and refinement. This cow is admired for her sweet makeup and feminine features yet she is moderate and beefy.

With her easy-fleshing ability and exceptional mothering traits, 98B is a donor you won't want to miss using.

SSS

TYCOON

225E

Tycoon comes from the outstanding SSS program and has been used extensively in W Sunrise Angus and Y Coulee programs. He has an impressive profile, proud front and great feet and soundness with an impressive calving ease sire with a hard to fault pedigree. He is a dark red, masculine sire, that carries himself flawlessly in the bull pen. Consistency and phenotype speak for itself.

RREDS COMMON SENSE G933

RREDS Common Sense G933 has all the mass and body of his sire. He is one of the most universal and complete bulls produced by Rhodes Red Angus. His mother is a coming 5 year old Code Red that hasn't missed. The Code red daughters have a way of raising high sellers.

Common Sense is one of the stoutest Seneca sons produced. If you are looking for the same body design as Seneca but want a bit more frame, Common Sense is a great choice. Great Angus character with high testosterone and athleticism.

Red CCC
530C

Towaw Larkaba

PIE

222

HOLLYWOOD

Red CCC Towaw Larkaba 530C is dark red, deep bodied, long and feminine with a nice udder. She was a reserve Champion heifer at the 2016 Olds Fall Classic and Reserved Junior Yearling heifer at Farmfair International the same year.

Her maternal grandsire, Red TerRon Digger 11L, was a direct son of the great Ter-Ron Brandy 11C cow, and is the grand sire of the \$80,000 Red Cockburn Ribeye bull. He bred until he was 11 years old and was one of the soundest structured bulls ever used at Towaw. Her grandam, Larkaba 10M, is a direct Red Towaw Indeed 104H daughter.

Pie Hollywood is the world record selling Red Angus bull from the spring 2023 bull sale season, selling for \$400,000 valuation. His record setting appraisal is the result of his combination of curve bending calving ease and growth, breed leading carcass, captivating phenotype and is backed by the renown Abigrace cow family. We were not drawn to the bull by his outstanding numbers, but they are off the charts. We appreciate Hollywood for his massive phenotype and you couldn't put a better foot on a Red Angus bull.

Red

LONE STONE

Beula

35H

Red Lone Stone Beula 35H is a very well made female that is well-balanced. Beula is the complete package, an impressive cow with a small frame build (5.0 to 5.5 frame score). She has a very nice temperament, beautiful coat, solid feet, and perfect udder. The potential for 35H to become a very productive cow and raise outstanding offspring is already proven with her well-formed bull calf that hit the ground this year.

MANN

REDBOX

55C

Redbox 55C is currently one of the most talked about Red Angus bulls in the breed. His calves display tremendous quality and style. His demand and inquiries stretch across the US, Canada and South America. The dam of Redbox is Peltons Miss AJA 0839U, extremely sound and impressive from every angle. She consistently transmits quality and eye appeal. Redbox displays unmatched phenotypic quality and possesses many needed traits to inject into the Red Angus Breed. His body volume, fleshing ease, soundness and style are simply hard to find. Upon inspection Redbox invokes a "wow" from the mouth of all that have seen him. His ability to make his mark as one of the great maternal sires of the breed is imminent.

Red MINBURN
300Y

Red Minburn May 300Y is a full sister to the breed legend, Red Minburn Copenhagen! Copenhagen and another full sister took Agribition by storm in 2011 at a figure of \$67,000 for Copenhagen to U2 Ranch and Heart of the Valley. Copenhagen daughters were a highlight at the U2 dispersal bringing some long dollars while Copenhagen semen, while limited in it's availability, has commanded over \$300 a straw. 300Y is an absolute mirrored image of what a Copenhagen daughter looks like. Sound, good footed, productive cows.

The \$90,000 lead-off and high selling bull from the South View Ranch's 25th Annual Bull Sale. Pistol Pete 4M is full of red meat and muscle while still maintaining great eye appeal in a sound structured package. This guy is powerful and stout from any angle you view him, stands on a big square foot and is that ideal dark red color. His actual data is impressive with a great spread from birth to yearling and big scrotal. He was exhibited alongside his incredible 9-year-old dam where they were selected Reserve Champion Female at Agribition and Champion Senior Female at FarmFair.

RED U-2 ENTOURAGE 282B is a legendary Red Angus herd sire whose influence is firmly established throughout the breed, combining exceptional longevity, maternal strength, and proven herd bull performance. Sired by RED U-2 RECON 192Y and out of the renowned RED U-2 ANEXA 271Y, Entourage represents the very best of the U2 breeding program's commitment to functional, long-lasting genetics. He consistently transmits extra bone, added frame, depth of heel, and the structural integrity required for longevity, while his maternal influence adds value through quality udders, fertility, and productive, long-lasting females. He is a true breed-leading sire whose combination of performance, structural integrity, and maternal excellence continues to shape productive, profitable Red Angus herds.

RED U-2 ANEXA 439A is a cornerstone donor female in the U2 Quality Seedstock program and one of the most influential cows in the renowned Anexa cow family. Sired by RED MINBURN COPENHAGEN 3Y and out of RED U-2 ANEXA 443Y, this exceptional female has built an outstanding legacy, with 68 registered progeny in Canada alone. Anexa 439A combines a world-class feminine skull, exceptional hind-leg structure, fertility, and outstanding foot design with the proven ability to produce elite breeding stock. She represents the kind of proven, generation-building cow power that defines a great breeding program — combining exceptional phenotype, maternal strength, and a consistent record of producing highly sought-after Red Angus genetics.

RED U2Q PLAYBOY 2197K is an exciting, breed-improving Red Angus sire that combines exceptional phenotype, explosive muscle shape, structural integrity, and outstanding maternal potential. Playboy was the \$62,000 high-selling feature of the 2023 U2 Connection Bull Sale. A true standout from every angle, he boasts an impressive front end, expansive rib shape, tremendous herd bull presence, and a big, square foot with ample heel depth that reinforces his potential as a foot improver. Playboy is already making a significant impact through his daughters, which are admired for their feminine front ends, balanced structure, easy-fleshing ability, and picture-perfect udders. With a powerful combination of phenotype, performance, soundness, and maternal merit, 2197K offers breeders an outstanding opportunity to build productive, long-lasting cow families.
