Red ACC

LAMBDA 1Z

CREED 214C

A blend of a well-known pedigrees and a top donor cow from Anderson cattle Co. Red ACC Lambda 1Z is a dark red, moderated framed with lots of muscle definition and a high milk EPD. She is the dam of Red ACC Bigshot 118E a bull that surprised everyone in the spring when he was purchased by a syndicate during the 2018 bull sale.

1Z is a very stylish smooth fronted cow with lot of eye appeal. She is a really good cow with another outstanding calve at side this year, weaned on August 14th weighing 751 pounds at around 6.5 months of age.

Herd sires with the ability to combine the power that Red Wheel Creed possesses with exceptional maternal strength in an outcross pedigree are rare to find. Creed has the length of spine, muscle expression, bone and foot size which he transmits into his calves. This bull is backed by an exceptional dam and cow family. Creed's dam, Black Wheel Jestress 1Y is a herd bull producing female. The Jestress cow family is noted for exceptional udders and hoof quality and being big ribbed productive females. A few straws of semen were available during the Pinnacle Sale in 2018, the quest for the very best Red Angus seedstock in Canada may be found. the significance of this great breeding bull is fully demonstrated throughout the pedigree, statistical information and the footnote discussion. this breeding bull, with progeny on the ground, is an opportunity to obtain the influence of one of the most dynamic breeding bulls in the industry today.

RED ACC
Roxie 81C

Here is a smooth, long bodied feminine cow that comes from a well backed family. Her daughter 32F has been stealing the spotlight her whole life and made the championship drive in the Little Lady Classic at Ag Ex. Her dam and granddam pattern very similar to her, moderate framed, level udder floor, lots of capacity, shape and natural thickness.

SSS

TYCOON

225E

Tycoon comes from the outstanding SSS program and has been used extensively in W Sunrise Angus and Y Coulee programs. He has an impressive profile, proud front and great feet and soundness with an impressive calving ease sire with a hard to fault pedigree. He is a dark red, masculine sire, that carries himself flawlessly in the bull pen. Consistency and phenotype speak for itself.

Red CCC
530C

Towaw Larkaba

PIE

222

HOLLYWOOD

Red CCC Towaw Larkaba 530C is dark red, deep bodied, long and feminine with a nice udder. She was a reserve Champion heifer at the 2016 Olds Fall Classic and Reserved Junior Yearling heifer at Farmfair International the same year.

Her maternal grandsire, Red TerRon Digger 11L, was a direct son of the great Ter-Ron Brandy 11C cow, and is the grand sire of the \$80,000 Red Cockburn Ribeye bull. He bred until he was 11 years old and was one of the soundest structured bulls ever used at Towaw. Her grandam, Larkaba 10M, is a direct Red Towaw Indeed 104H daughter.

Pie Hollywood is the world record selling Red Angus bull from the spring 2023 bull sale season, selling for \$400,000 valuation. His record setting appraisal is the result of his combination of curve bending calving ease and growth, breed leading carcass, captivating phenotype and is backed by the renown Abigrace cow family. We were not drawn to the bull by his outstanding numbers, but they are off the charts. We appreciate Hollywood for his massive phenotype and you couldn't put a better foot on a Red Angus bull.

Red **MINBURN**
300Y

Red Minburn May 300Y is a full sister to the breed legend, Red Minburn Copenhagen! Copenhagen and another full sister took Agribition by storm in 2011 at a figure of \$67,000 for Copenhagen to U2 Ranch and Heart of the Valley. Copenhagen daughters were a highlight at the U2 dispersal bringing some long dollars while Copenhagen semen, while limited in it's availability, has commanded over \$300 a straw. 300Y is an absolute mirrored image of what a Copenhagen daughter looks like. Sound, good footed, productive cows.

The \$90,000 lead-off and high selling bull from the South View Ranch's 25th Annual Bull Sale. Pistol Pete 4M is full of red meat and muscle while still maintaining great eye appeal in a sound structured package. This guy is powerful and stout from any angle you view him, stands on a big square foot and is that ideal dark red color. His actual data is impressive with a great spread from birth to yearling and big scrotal. He was exhibited alongside his incredible 9-year-old dam where they were selected Reserve Champion Female at Agribition and Champion Senior Female at FarmFair.

Red SSF
271A
SCOTTS KARI

DUFF 1941
Red Wood

Kari 271A is a moderate framed cow carrying a lot of performance, she ranks top 2% of the breed for weaning weight, top 3% for yearling weight and top 4% for Maternal. She has an excellent feet and udder, very sound and well-made cow with an EPD on the top 1% for stay-ability.

Kari 271A has the phenotypic quality and genetic profile to enhance any program.

This Red Angus bull may be just as noble as the ancient redwood trees "Duff Redwood 1941". What a specimen he is in terms of depth of rib, fleshing ability and overall dimension in a moderate frame. Just like the coastal trees, you truly need to see Redwood for yourself to understand his overall quality and value.

Duff Redwood 1941 will undoubtedly leave deep roots in the beef industry.

Authentic
139A**

Kari 271A is a moderate framed cow carrying a lot of performance, she ranks top 2% of the breed for weaning weight, top 3% for yearling weight and top 4% for Maternal.

She has excellent feet and udder, and is very sound and a well-made cow with an EPD on the top 1% for stay-ability. Kari 271A has the phenotypic quality and genetic profile to enhance any program.

Maternal greatness and sheer power are combined in this leading sire, Red U-2 Authentic 139A.

Authentic was a past high-selling bull at U2 and has gone on to be a potent breeder that has had positive production results for the three progressive breeders that own him. Phenotypically he is the ideal Red Angus sire, super clean fronted with an attractive head that will add length, power and over all completeness to his progeny. He is out of one of the great donors at U2, Stormy 7202T, and complimented by a stacked maternal pedigree!
